25) According to Government Order No L 3947-50/M1 26-39-32 dated 26th October 1939, the existing Sanitary Overseer and Maistries in the Bangalore and Mysore City Municipali have to be replaced by Assistant Sanitary Inspectors on a uniform grade of Rs 25-1-35 Instead of giving effect to this order the President, Mysore City Municipal Counc proposes to promote four officials working as Sanitary Overseers as follows -

1	S R Subramanyam	on Rs 35 in the next higher grade
2	P S Nageswara Iyer	Rs 30-1-35
3	L Lingiah	on Rs 30 in grade Rs 25-1-30
4	Y B Venkoba Rao	

26) In this connection reference is invited to this office U O Note No 83/46/PSC dated 14th March 1947 furnishing my the remarks ~~of the Public Service Commissioner~~ on a similar case (Appiah) Strictly speaking the existing vacancies should be filled up by appointy Assistant Sanitary Inspectors But the Director of Public Health stated in June 1947 that it would not be possible to post the Assistant Sanitary Inspectors taking into consideration the demand for trained Sanitary Inspectors In view of this the only alternative is to try by advertisement

27) Further, the scales of pay of Assistant Sanitary Inspectors have been reduced to a uniform scale of Rs 25-1-35 There is therefore no point in giving the higher grade Rs 30-1-35 in the Health Section to S R Subramanyam and P S Nageswara Iyer as they will be displaced by Assistant Sanitary Inspectors when they become available The best course would be to absorb them in suitable vacancies in other sections of the Municipality raising their pay if necessary to relieve them of stagnation, and they may be continued on other duty as Sanitary Overseers temporarily pending availability of

Public Health Department or after advertisement

28) It is also necessary that the vacancies of Assistant Sanitary Inspectors should be registered, classified and filled up only Backward Community officials or Maistries being continued or appointed in special vacancies even temporarily

29) Early action has to be taken to appoint Assistant Sanitary Inspectors either by drafting them from the Public Health Department or by advertisement in the ratio of 3 special to 1 general

30) Mr Appiah may also be continued temporarily as Sanitary Overseer in grade Rs 20-1-25 pending availability of Assistant Sanitary Inspectors

Deferred subject No 82/45-6 Re: giving promotions to the Sanitary Overseers and office note thereon, dated 24-9-1945 opining that they may be given Rs 35/- each in their present grade posts, and absorbed in other sections of this Municipality etc , and also stating that sanction of Government may be obtained to absorb one Appiah from Inferior service to Super service(Sanitary Overseer) on Rs 25-1-35 etc

"The sanctioned posts of three sanitary Overseers on Rs 30-1-35 have ceased to exist consequent on the replacement of Sanitary Overseers by Assistant Sanitary Inspectors, vide G O No L 3947-50/Ml.26-39-32 dated 26-10-1939 Out of three Sanitary Overseers in grade Rs 25-1-30, one has been replaced by Asst Sanitary Inspector The remaining two Sanitary Overseers in service, viz , S R Subbaroyan and P S Nageswara Iyer have reached the maximum of Rs 30/- 15 years and 7 years ago respectively It is ascertained that all these officials are doing good work In order to remove this stagnation and to give some incentive for work to these disappointed officials, the Health Committee Recommends to the Council to request the Government to sanction the following proposals:-

1 S R Subbaroyan and P S Nageswara Iyer may be promoted to the senior grade of Rs 30-1-35 and be given the maximum of Rs 35/- as they have stagnated long and as they have a few years of service to retire

2 L Lingiah and Y B Venkoba Rao have been stagnating in grade Rs 20-1-25 and have reached the maximum 12 years and 3 years ago respectively They too deserve some promotion The Committee therefore recommends that they may be promoted to the next higher grade of Rs 25-1-30 in places released by S R Subbaroyan and P S Nageswara Iyer and be given the maximum of Rs 30/- in view of their long stagnation"

In accordance with the Go No L 3135-8/M1 11-43-14 dated 10th July 1943, directing that the existing conservancy Overseers may be gradually replaced by qualified Assistant Sanitary - Inspectors etc , I have the honour to state that for want of qualified officials, the Director of Public Health had not been able to post Assistant Sanitary Inspectors to this Municipality Out of the 15 Assistant Sanitary Inspectors, some places have b vacant for a long time No suitable vacancies have occurred for th obsorption of the four sanitary overseers working in this Municipality Hence a recommendation has been made to give these 4 Sanitafy Overseers grade pay of Rs 35/- in grade Rs 30-1-35 which had been sanctioned to the previous incumbents (vide this Office letter No M6-294/46-47 dated 10-5-47) Appaiah the offic under reference has put in 11 years of service as Sanitary Overse and acquainted himself very well in all his work His command ov sweepers etc , is very good and he has been of very good help - during emergencies such as the sweepers' strikes etc , His case therefore deserves favourable consideration at the hands of Government
